**Selection of hotels in Benidorm
where a block booking has been made:
7 Nights
Check-in Saturday June 11, 2022
Check-out Saturday June 18, 2022**

There are literally hundreds of hotels in Benidorm and there is a wide range of apartments available for rent, so we have made a selection of 3 hotels, with varying qualities and prices and have made a block booking for several hundred rooms. It is possible that in some cases a better price can be obtained by using a big booking agency, such as Booking.com, but it is unlikely that this better price will be for more than one or two rooms. Obviously if you can find a better hotel or a better price you should take it; our block booking is merely for your convenience. We anticipate the price of hotels in Benidorm will increase in the next month or two, since the war in Ukraine has given rise to steep inflation.

Our conditions require a deposit of 25% of the total cost at the time of booking with the remaining balance paid in full at least one month before check-in. We recommend that you make your booking as soon as possible because these prices will not be available for long.

To make a booking you should send an Email to robert@viajesbertioga.com specifying your name, or the name of your organization, the number of rooms (split between double, single and triple occupancy, family rooms, junior suite, etc.) and the dates you require (the dates of the block booking are flexible to a certain extent). A rooming list with the names of each guest will be required 15 days before check-in. A summary of the prices is as follows, but if you need a price which is not shown, such as a junior suite, please include your request in your Email.
